## Welcome to Kingseal Co., Ltd. Thailand

Kingseal Co., Ltd. Thailand has been involved in the distribution and manufacturing of high quality Hydraulics, Pneumatics, Industrial Cylinder Seals and Seal Kits since 2005 and has thus acquired an extensive expertise in many industries. Having based ourselves on the features and quality demanded by larger companies, we have created innovative, user-friendly applications that are now available to small, medium and large sized companies.

Our keen knowledge in the production and distribution of high quality industrial seals provide us with the knowledge to develop solutions that answer the needs of today's high energy fluid and pneumatic systems. These solutions allow you to:

- . increase productivity
- . reduce the operating cost
- . increase time between downtime and shutdowns

Should you wish to utilize our services or you have any queries regarding our services, please do not hesitate to contact us so that we can discuss in details how we can help you. We guarantee our quality of service, ontime delivery and the most competitive pricing in the market today.
